Dear Contributor(s):

Much obliged to you for presenting your Contribution for distribution. So as to assist the altering and distributing process and empower Publisher to scatter your Contribution to the furthest reaches, we need this Agreement executed. In the event that the Contribution isn't acknowledged for distribution, or if the Contribution is along these lines dismissed, this Agreement will be invalid and void. Distribution can't continue without a consented to duplicate of this Arrangement.

A. TERMS OF USE

1. The Contribution will be made Open Access under the provisions of the Creative Commons Attribution-Noncommercial License which grants use, dissemination and propagation in any medium, gave that the Contribution is appropriately referred to and isn't utilized for business purposes.
2. For a comprehension of what is implied by the particulars of the Creative Commons License, if you don't mind allude to Publisher's Open Access Terms and Conditions (<http://ijmi.ir/index.php/IJMI/about/editorialPolicies#openAccessPolicy>).
3. The Contributor may utilize the submitted and companion investigated forms of the Contribution before distribution, gave that the last Contribution is referred to properly as gone ahead in passage F underneath. Nothing in this will allow double distribution infringing upon diary production morals and negligence.
4. The Owner (and Publisher) maintains all authority to expect changes to the Contribution, including changes to the length of the Contribution, as a state of acknowledgment. The Owner (and Publisher) saves the right, despite acknowledgment, not to distribute the Contribution if in any capacity whatsoever such production would in the sensible judgment of the Owner (and Publisher), bring about legitimate risk or infringement of diary moral practices. On the off chance that the Owner (or Publisher) chooses not to distribute the Contribution, no Article Processing Charge or some other expense will be charged. The Contributor is allowed to present the Contribution to some other diary from some other distributor.

B. RETAINED RIGHTS

The Contributor holds every exclusive right notwithstanding copyright, for example, patent rights in any procedure, system or article of assembling portrayed in the Contribution.

C. LICENSE

Notwithstanding the non-selective rights the Owner has under the CC-BY-NC permit, the Contributor awards to the Owner, during the full term of the Contributor's copyright and any augmentations or recharges, a restrictive permit of all privileges of copyright in and to the Contribution, and all rights in that, including yet not constrained to one side to distribute, republish, transmit, sell, circulate and generally utilize the Contribution in entire or to some degree all through the world, in all dialects and in all media of articulation currently known or later created, for business purposes, and to permit or allow others to do as such. Such restrictive rights don't strife with the rights conceded to clients under the conditions of the Creative Commons Attribution Non-Commercial License.

D. CONTRIBUTIONS OWNED BY EMPLOYER

In the event that the Contribution was composed by the Contributor throughout the Contributor's business (as a "work-made-for-procure") and the business claims the copyright in the Contribution, at that point the business organization/establishment must execute this Agreement (notwithstanding the Contributor) in the space gave underneath. In such case, the organization/foundation thus awards to the Owner, during the full term of copyright, a select permit of all privileges of copyright in and to the Contribution all through the world for business purposes as determined in section C above.

E. GOVERNMENT CONTRACTS

On account of a Contribution arranged under Government contract or award, the Government may repeat, without charge, all or parts of the Contribution and may approve others to do as such, for authority Government purposes just, if the Government contract or award so requires.

F. COPYRIGHT NOTICE

Proprietor (and Publisher), the Contributor, and the organization/establishment concur that all duplicates of the Contribution or any part thereof circulated or posted by them in print or electronic configuration as allowed in this will incorporate the notice of copyright as stipulated in the Journal and a full reference to the last distributed rendition of the Contribution in the Journal as distributed by Publisher.

G. CONTRIBUTOR'S REPRESENTATIONS
